

**AYANA Resort and Spa, BALI and
RIMBA Jimbaran Bali by AYANA
ENVIRONMENTAL & SOCIAL SUSTAINABILITY POLICY**

AYANA and RIMBA are committed to achieving the best practice of environmental and social sustainability and have partnered with EarthCheck, the world's leading Benchmarking and Certification provider.

AYANA Resort and Spa, BALI and RIMBA Jimbaran BALI by AYANA are an integrated resort managed by Capella Hotel Group and owned by PT. Karang Mas Sejahtera. AYANA is a 372 room, suite and villa accommodation and RIMBA is a 403 room and suite accommodation, situated in Jimbaran Bay of Bali, Indonesia. The resort is located on 90 hectares of cliff-top land just 10 kilometers from Bali airport. Perched 35 meters above Jimbaran Bay, AYANA's majestic sunsets and ocean-front views across Bali's south-west coast are complemented by a white-sand beach and shared facilities with neighboring sister resort RIMBA Jimbaran, BALI. The hotel includes five-star self-contained villas, conference facilities, swimming pools, gymnasium, and the award-winning 'Thermes Marins Bali' in addition to a series of food and beverage outlets open to the public.

At AYANA and RIMBA, we recognize the activities of our hotels have the potential for negative impacts on the environment and community if not properly managed. As such we have implemented an Environmental Management System that meets the requirements of the EarthCheck Company Standard.

AYANA and RIMBA are committed to continual improvements measured by way of annual Benchmarking Assessments. The team at AYANA and RIMBA strives towards minimizing our footprint on the environment by implementing sustainable initiatives aimed at improving each hotel's performance by reducing the use of energy and water as well as reducing the production of waste.

AYANA and RIMBA will comply with all relevant legislation and regulations, and aim to achieve an international standard of best practice. We have appointed our Hotel Manager as the EarthCheck Champion, who has responsibility for improving the each hotel's performance in sustainability.

Special consideration will be given to employing and empowering local employees, and wherever possible, sustainable products and services will be sourced locally in accordance with Fair Trade principles.

We encourage all employees to present our commitment to environmental and social sustainability to all key stakeholders including guests, suppliers and contractors.

We strive to educate the entire team in our goals to achieve sustainability as well as the individual roles they will play to improve our ability to operate more sustainably. It is our hope that our team members, through exposure to our environmental management system, will be more aware of the need to conserve, preserve and protect.

Christian Jaquier
